

RE: HVS adds Affiliate Members

Trussville United Soccer Club and Pell City Futbol Club announced today that they have entered into an affiliation with Hoover-Vestavia Soccer. This opportunity will enhance both programs by having additional resources available from HVS to service the exceptional players that our affiliate clubs develop.

Frequently Asked Questions

Q: Why partner with HVS?

A: HVS is a member of MLSNEXT, NPL, and DPL. All of these leagues are levels above the current Alabama State League. By affiliating with HVS, these affiliates give top players direct access to these platforms.

Q: Why HVS specifically?

A: Outside of being a leader in youth soccer development in Birmingham, HVS has a regional reputation of excellence, on and off the field, that many clubs attempt to emulate. Located just a few exits down 459, they are the perfect neighbors for this partnership, with an exceptional staff with decades of experience.

Q: Will our fees be increased?

A: No

Q: Will our uniforms change?

A: No.

Q: Will our name change?

A: No. In today's youth soccer landscape it is commonplace to "merge" or "take over" clubs with a name change, new uniforms, etc. TUSC, PCFC, and HVS feel like this is not healthy for youth soccer. Clubs thrive on competition and identity. This agreement sees TUSC continuing to thrive keeping its identity, with a new partnership.

Q: What benefits will TUSC and PCFC families see?

A: Players that have the ability can train with an HVS team at no charge. Players can play for both clubs when the schedule permits. HVS will also be at our park for clinics and Special Topics Sessions.
